### Old Fashion Cart

This commercially-rated unit & umbrella is a durable, enameled steel hot dog cart with hot dog roller to cook hot dogs plus 2 large hot dog and bun warming/steaming inserts. It features 3 condiment inserts for chili, sauerkraut and more! Beverage cooler to keep drinks ice cold and service shelf to hold paper goods, ketchup and mustard. Comes with umbrella and PVC "sneeze-guard" cover for protection of foods. Perfect for summer parties!

### The Doghouse

This steamer not only cooks hotdogs, it merchandises and dispenses them in less than 12" of counter space. Ideal for self-serve and fast-paced environments, the Doghouse's attractive visual graphics will promote impulse sales. Easy Loading - 24 Hot-dog Capacity.
